Partner Church Committee

Mission
The Partner Church Committee takes the lead in facilitating our partnership with the congregation in Tordátfalva, Romania.

Our Work
In Ames, this includes education, fundraising, travel coordination, and encouragement to connect with our partners. This may include activities such as Transylvania dinners, book sales, holiday giving trees, education in RE classes, or contributions to the Sunday harvest festival service. Beyond Ames, this includes communicating with our partners and maintaining our ties to the UU Partner Church Council (UUPCC).

Committee Structure and Responsibilities of Members
The chair is responsible for facilitating communication among committee members, through called meetings, e-mail, or other means. The chair is responsible for ensuring that our UUPCC dues are paid each year, for ensuring that money from our budget line and extra fundraising is transferred to our partners, and for submitting budget requests and annual reports as requested by UUFA leadership. The chair has authority to spend money from the budget line and may appoint a treasurer of the committee who also has the authority to spend money from the budget line.

Committee Members may take on any of the above responsibilities as coordinated by the chair, and they are jointly responsible for any projects the group decides to pursue. At each formal meeting, one member agrees to take minutes.
